THE CAPITOL HEIGHTS VOLUNTEER FIRE DEPARTMENT NEEDS YOU

In 2009, the Prince George's County Fire/EMS department removed career staffing from our station, impacting the safety of our community and our firefighters. This left our volunteers, most of which with day jobs and families, with the responsibility of staffing the fire/EMS station 24 hours a day, 7 days a week. **We want you to know that the Capitol Heights Volunteer Fire Department is still here and we are working hard to provide you with the protection and community service that you deserve!** Every day, our fire department family is growing with new volunteer members, like you, who want to serve their community. If you are at least 16 years of age and would like to be a volunteer firefighter or EMS care provider visit our website to learn more: www.chvfd.org
